

Location: Bell Home

Members Present: Fred Bell, Dana Schrader, Tony Wiles, Scott Hamilton, Marlene Churchill

Call to order - The meeting was called to order at 9:15 by Fred Bell.

There was no written agenda to follow so we did a Round Robin approach instead.

I. MAM Update

The packet for participants is close to completion. Tony is looking for a reasonably priced window sticker source. There is a Settle Inn in the area that has a limited number of rooms at a discount. A contract was sent to the MOValley chapter regarding the split of the school profits. No word has been heard from MOValley regarding same. One classroom instructor has "signed on" (Bartley), I believe Tony had a second one set up as well, but I don't remember his name. At this point a shirt sponsor is still needed. Dana is pretty sure he's found someone to do the photography at the June school. The photographer wants us to spring for motel room. Dana will check on the prices that will be charged for the photos...if he guy is reasonable then paying for his room is possible.

II. Website

Dana had asked for feedback regarding the website, but nothing constructive had been received. There was a discussion regarding establishing a server, password protected for the board, to do the minutes - or - for IA chapter members only. This could also be used for on-line registration for schools. Still in the talk stages. There are plenty of shirts on hand as sales have dropped off.

III. Treasurer

No financials to discuss. Money is stable. There are 500 raffle tickets left. There will be 2 letters/articles coming out in Roundel regarding the raffle. A new dry cell battery was purchased for the 2002 (\$140.00). The directionals are not working on the 2002, and the left mirror is loose. These should be taken care of before the raffle. Discussion regarding taking the 2002 to a German car show in Omaha in June. No decision. There was a discussion regarding WHEN, during O'Fest, should the 2002 raffle be held. It's preferred to not hold the raffle on Friday night. Needs further discussion.
